¹ Pursuant to Empire State Development’s COVID-19 Grantee Relief Program, Tesla is currently in Program Year Two.

² All full time Tesla employees, whether exempt or non-exempt, receive stock-based compensation. The cumulative investment and spend figure provided here does not, at this time, include the value of stock-based compensation provided to Tesla’s New York State employees.

Annual Report – Page 2

The following report sets out the report of the Reporting Entities named below with respect to the investment, spending, and employment requirements of the Amended and Restated Agreement for Research & Development Alliance on Triex Technology dated September 2, 2014.

*** Additional Information on New York Jobs.**

Tesla notes that since the close of the reporting period it continues to expand its operations in Buffalo and throughout New York State.

As of May 28, 2021, Tesla's New York State headcount now stands at 1,665 including the current GFNY headcount in Buffalo of 1,058.

The foregoing report is true and correct to the best of my knowledge.
