For Immediate Release: 8-12-2021

The Buffalo Board of Education fully supports our Superintendent of Schools, Dr. Kriner Cash, and wholly affirms its most recent Superintendent's evaluation. At no time over the course of his six years with the District and throughout the COVID-19 pandemic has our Superintendent diminished any fulfillment of his responsibilities to the Board or District. To the contrary, Dr. Cash led our District through the worst moments of the pandemic with the steady leadership we have always relied upon. It is because of Dr. Cash's leadership, dedication, and unwavering commitment to our District that we are in our best position for success in decades and ready to fully re-open our schools in September.
